Falun Dafa Association of Canada

Dear Membership,

It is my great pleasure to offer my warmest congratulations on the occasion of the 24th anniversary celebration of the introduction of Falun Dafa to the public. It is a testament to the enduring strength of the universal principles of truthfulness, benevolence, and forbearance taught by Li Hongzhi.

I would like to thank the members of the Falun Dafa Association of Canada for enriching the proud multicultural heritage of our great nation.

I look forward to continuing to work together to promote global and national awareness of the persecution of the Falun Gong in China. There is still much which needs to be done to promote the peaceful causes of the Falun Dafa.

Once again, thank you for the opportunity to offer my congratulations as you celebrate this joyous milestone.

Sincerely,

A handwritten signature in blue ink that reads "Colin Carrie".
