Falun Dafa Association of Canada

On behalf of the Government of Saskatchewan, I am pleased to congratulate Falun Dafa practitioners in Canada on your 24th anniversary.

Your guiding principles of truthfulness, benevolence and forbearance have been embraced by many across the world. Throughout Canada, and here in Saskatchewan, these virtues help to build our communities, promoting peace and an appreciation for others. This enhances our diversity as a province and leads to a richness of culture that can be enjoyed by everyone, as we share and learn from one another. This is part of what makes our communities in Saskatchewan the welcoming places that they are.

Happy anniversary to your practitioners and supporters, as you celebrate another year of encouraging truth, compassion and tolerance.

Sincerely,

Jeremy Harrison
