Falun Dafa Association of Calgary,

It is my sincere pleasure to extend my support to the Falun Dafa community as they celebrate another year honouring the values of truthfulness, compassion and forbearance. I commend the Falun Dafa Association for all their hard work, commitment to the community and promotion of peace and harmony to help many Canadians get through these difficult times. Thank you for your contributions to a more healthy and harmonious society.

Sincerely,

A handwritten signature in black ink that reads "John Barlow".
